

Interdisciplinary Graduate Program in
Molecular & Cellular Biology

Spring 2013 Workshop & Seminar Series

**"Identification of Signaling Pathways Bridging
Tumor-Initiating Cells and Metastasis"**

Weizhou Zhang, Ph.D.

Assistant Professor of Pathology

Molecular & Cellular Biology Faculty Candidate

**"Regulation of the Actin Bundling Protein
Fascin by Prostaglandin Signaling"**

Christopher Groen

(Tootle Lab)

Molecular & Cellular Biology

**Thursday, February 14
4:00-5:00 p.m., 1289 CBRB**
